Dear Parents/Carers

Your application should provide current information about address and desired pick up or drop off points. There is also an opportunity to list any issues we need to be aware of, so we can accommodate the needs of your child.

We understand the costs for families and as it is our desire to help as much as possible, we will continue our policy of only charging for two children travelling, allowing larger families to use the bus service.

Families will be provided with a notice from QLD Transport on receipt of completed application. This notice outlines the Code of Conduct, which we as drivers and your children need to adhere to, to be compliant.

In order for routes to be finalised please complete the application forms and return them to the College by 16<sup>th</sup> January.

Your sincerely
